#### 3. Knockouts

It was agreed at the AGM the committee would look again at the proposal "to set the maximum number of shots given by a player to their opponent in a knockout competition to be 18", since this had not been accepted by the members.

Sara and Susanne would look at the ladies' handicaps to see how they split in terms of numbers between low and high

Sara would also consult with the men's and seniors' sections as they were also looking to make changes to the knockouts in respect of shots given.

They would report back with their findings so that a decision could be made at committee as to what to do next

# 4. Heart of Hearts

February is heart month for BHF and Barbara would like us to play with a red ball and wear something red on 20/2 for the fun 10 -hole team competition. This will be followed by a talk and a CPR demonstration, to be given by Karl from the charity and you will have the opportunity to purchase heart badges.

# 5. AOB

SH felt that the members should be invited to get more involved in the section by putting suggestions forward like what formats they prefer to play in fun competitions.

MW said she would get an email sent out to everyone.
